

Opportunities to join the Silverstone Park community

Located at the heart of the UK's high-performance technology and motorsport (HPT&M) cluster, we are creating a global destination for engineering, innovation and business development.

If your company is looking to enter or expand in this sector then Silverstone Park provides an unprecedented opportunity to join a growing community of like-minded people where the supply chain and skills pool is local and the business opportunities are global.

As an international business you will benefit from a soft landing packing including:

- Access to smart meeting rooms at Silverstone Park to conduct your business meetings
- Access to professional service organisations for HR, financial and legal advice
- Virtual tenancy arrangements providing a Silverstone Park address and telephone service
- Networking opportunities with HPT&M companies for business development and M&A activity

There are currently over 50 companies on site and with **2.7m sq ft of planning consent available** and significant demand identified in the market, the park is set to grow to over 250 companies.

A diverse range of office, industrial and R&D workshop accommodation is available to let and stand alone buildings can be developed to suit a company's specific requirements.

Join our dynamic and vibrant community and enjoy fantastic networking opportunities, access to a world leading supply chain and a place your business can call home for many years to come.

From here you can change your world.
