

/ THE CAMPUS FOR FUTURE INNOVATION

## THE CAMPUS

Silverstone Park is the technology and advanced engineering campus that's defining our futures.

Building on its reputation as an unparalleled hub of innovation, our unique campus helps to maximise productivity for the 90+ businesses that call it home, ranging from ambitious SMEs and start-ups to global industry leaders.

Becoming part of our welcoming community also brings unrivalled opportunities to work alongside like-minded pioneers in a globally renowned, centrally located environment.

Additionally, Silverstone Park boasts four nextgeneration centres of excellence on-site, providing businesses with direct access to vital engineering equipment and R&D capabilities.

#### WORLD-CLASS SPECIALIST FACILITIES

- > Electromagnetic Testing
- Industrial Metrology
- Sports Engineering Testing
- Digitalised Additive Manufacturing

## THE COMMUNITY

Silverstone Park boasts a global reputation in the fields of advanced engineering and technology.

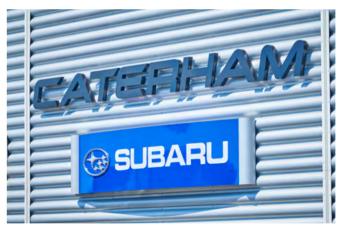

The 285-acre campus serves as a preeminent centre of expertise for innovation that, thanks to its unique collaborative ecosystem, provides exceptional business-to-business networking and knowledge-sharing opportunities.

Although the Park boasts an enviable association with the neighbouring motor racing circuit, it maintains a sectoragnostic approach, attracting high-profile businesses across aerospace, agritech, automotive, defence, energy, marine, motorsport, medical and scientific research.

This makes Silverstone Park an attractive proposition for progressive companies looking to expand and grow, offering a strategic and dynamic environment that fosters success.

## THE OPPORTUNITY

A decade of sustainable growth has firmly cemented Silverstone Park's global reputation as a home for pioneering, forward-thinking businesses.

Evolve defines our next phase of development. It offers the opportunity to become part of the UK's most exciting home for technological innovation, with units designed to suit a wide range of needs.

**Evolve East** comprises hybrid-style industrial units that occupy a prominent location close to the main entrance to the world-famous Silverstone Grand Prix circuit.

**Evolve West** features four spacious, detached industrial units, strategically positioned for outstanding connectivity.

**EVOLVE EAST** 

7,968 to 24,638 sq ft

**EVOLVE WEST** 

30,000 sq ft to 61,000 sq ft

## EVOLVE EAST

Evolve comprises nine hybridstyle high-tech industrial, R&D units of varying sizes.

Designed to meet the needs of even the most demanding occupier, each building provides a high-quality contemporary working environment, with smart flexible space ready for a bespoke fit-out.

#### **SPECIFICATION**

- > Fully serviced with access to enhanced power capacity (subject to negotiation)
- Fibre to the premises network, operated by Modern Networks - allowing fast and resilient connections
- > Smart reception area with toilets and stairs leading to first floor
- > First floor offices fitted to Cat A
- Double height workshop space
- Loading of 50KN/m2
- > 8m clear height to underside of haunch
- > Up to 32m yard depth
- > 5m high roller shutter door
- Allocated parking

## **WIDER AMENITIES**

Alongside this phase of development, there will be the addition of a gym, café and children's nursery to Silverstone Park, bringing new levels of convenience to occupiers and their employees.

This facility is the latest addition to a wide range of benefits that demonstrate Silverstone Park's forward-thinking commitment to the health and wellbeing of its occupiers.

Click to watch interview video

It's incredible to see that we'll have that support for our staff.

Centrally located and world renowned, Silverstone Park is the ideal destination for ambitious businesses in pursuit of growth opportunities.

The campus is strategically located within three globally significant innovation centres:

#### Motorsport Valley®

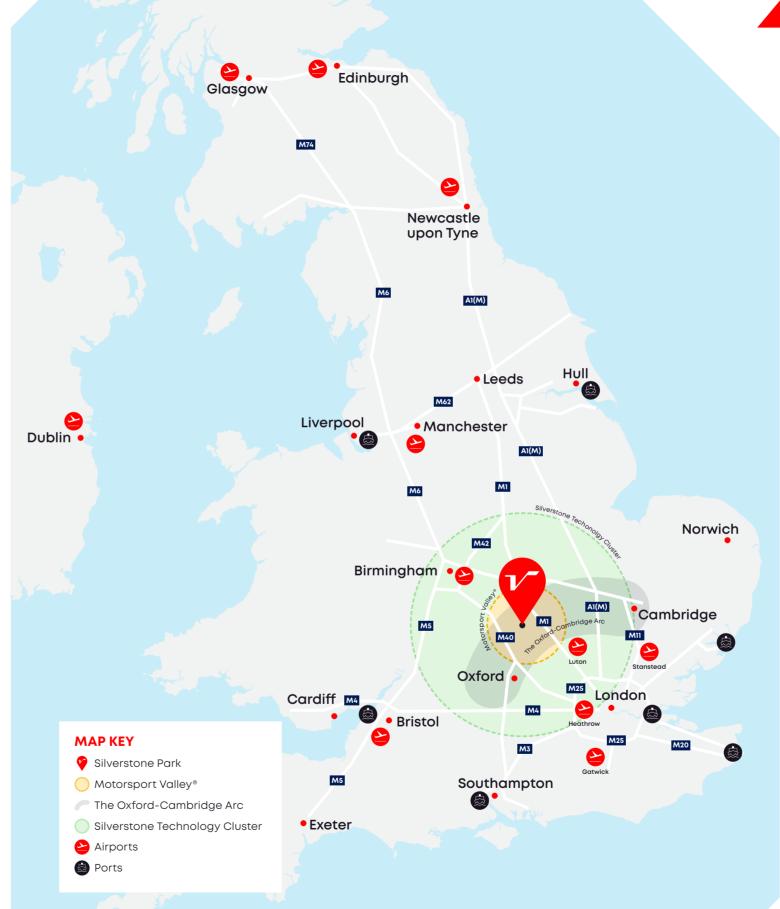

The cluster of firms that supply cuttingedge technology to Formula 1®, Formula E and other motorsport sectors.

#### > The Oxford-Cambridge Arc

A major hub for the UK's high-tech manufacturing and research industries.

#### > Silverstone Technology Cluster

A not-for-profit support organisation for advanced engineering, electronics and software businesses in the wider Silverstone area.

#### GLOBALLY-RENOWNED

This exceptional and well-connected location allows the Park's occupiers to attract, nurture and retain the best talent from across the globe.

And, with views across the rolling Northamptonshire countryside and the world-famous Silverstone Circuit in the background, Silverstone Park offers a home for business unlike anywhere else in the world.

It's about the connections... I go to the companies around me, and the problem becomes a solution.

#### **ROB LEWIS**

Silverstone Sports Engineering Hub

## CONNECTIVITY

Silverstone Park continues to evolve its connectivity, both for local travellers and those visiting from further afield.

It's important to us that we support the greenest and most sustainable methods of travel, to and from the Park, to help save time and costs while reducing local congestion and emissions.

Our 'Together We Travel' campaign aims to reduce as many single occupancy car journeys as possible, by encouraging the use of alternative modes of transport.

By creating a better environment for all who work and visit us, we're playing our part in ensuring that Silverstone Park is not just a home of innovation and ingenuity, but one of space and sustainability too.

#### SELF-SERVICE CYCLE HIRE

The cycle pooling scheme is available across the Park, offering bike use, free of charge, for up to 48 hours.

### WHEELS TO WORK

Affordable, convenient and fuel-efficient – getting to work couldn't be easier.

50cc & 125cc scooter hire.

#### THE KINTO CAR SHARE SCHEME

The Kinto Join car share scheme aims to help business occupiers and employees significantly reduce fuel costs as well as emissions. Commuters can find their ideal 'travel buddies' based on location and working hours.

#### ZOOM TAXIS

Zoom Taxis are a local taxi company based in Towcester covering the local area.

#### PARK SHUTTLE BUS SERVICE

A demand responsive service between Milton Keynes and Silverstone Park, calling at Buckingham and Dadford. Fast and affordable, this service operates weekday mornings and evenings.
